CALLED MEETING
OF THE
American Oxford Down Sheep Record
ASSOCIATION,

HELD AT SHERMAN HOUSE, CHICAGO, ILL., DURING
FAT STOCK SHOW, NOVEMBER, 1885.

Meeting was called to order by Col. F. C. Goldsborough, President. The President stated that this was not a regular meeting, but a called meeting to exchange views and receive suggestions to act upon at the next regular annual meeting. He further stated that he had recently shipped a fine Oxford ram to Texas; that the party was well pleased with him. He said that he had seen a party this week at the Fat Stock Show, from Texas, who saw the sheep that had been sent by Col. Goldsborough, and that it was the finest sheep ever sent to Texas; that parties had come as far as twenty miles to see it.

I went to the European market last year on purpose to see the German sheep there for sale. They were cross-bred, and it was no trouble to sell Oxfords crossed. One large breeder in England said that he had sent more Oxford sheep to Germany this year than ever before.

Mr. Sol. Wright said that he had sent a ram to California, and that the party was very well pleased with him; that he looked as if he had not been confined more than twenty-four hours in making the trip. That he was well pleased with the Oxfords; that he had sold all his thoroughbreds at good prices; had received more than five times as many letters this year than the year before; that he had an offer from Nebraska for a car load, one-third lambs, rest not over five years old, at thirty-five dollars per head. That the express charges on the sheep to California were sixty-five dollars. That he was well pleased with his sheep, and thought the Oxford Record ought to be kept pure, and that we guard it carefully, and only admit what are known to be pure, so that they may be kept up to the same high standard.

I myself only record sheep that possess more than ordinary merit.

Mr. Shafor said : I am sure that there has been a big interest in my State by parties who five years ago hooted at the idea of showing Oxfords, but now we see Oxfords on their Southdowns, Cotswolds. I believe that all Fairs should be requested to compel all sheep exhibited to be recorded in some record of their breed. I have seen here at Chicago, at this Fat Stock Show, a nice fat wether, bred by Albert Brasseý, that was lying in a pen with Shropshires, that attracted more attention to this pen. The Shropshires would receive the benefit of this exhibit and the Oxford none.

Mr. Sol. Wright said that there was no breed of sheep that could meet the Oxford, and that there was no inducement for Oxford breeders to cross-breed. I do think that Fairs should only offer prizes for sheep of record, or eligible to record. I believe that the Oxford will make a good sheep out of the Southdowns or other breeds.

Mr. Stone, of Stonington, Ill. : We have made wethers, and come here to hear of Oxfords at this show. I believe that all not extra good ram lambs be castrated, and shown at the Fat Stock Show. I myself think your charges of \$1.00 too much. If the Shropshire breeders can record for fifty cents, and with money on hand, why can't the Oxfords do so ?

Sol. Wright : If I was going to make an exhibit to benefit the Oxford Down Sheep, I would not take the culls only, but select the finest ram lambs and castrate them, then I am sure I would do the Oxfords credit. I would sell this ram at about half price to some small farmer to use on his common sheep, and in this way benefit him. When there is more money in the treasury than pays the necessary expenses of publishing the Record, the money is to be used in advertising the Oxford Sheep, offering prizes at Fat Stock Shows, etc.

Mr. Stone : If we try to keep up pure sheep you will have to put the price away up, and castrate the poor lamb who might begin to grow, and will make his mark yet for the Oxford. The Shropshire men made up a purse of one hundred and fifty dollars (\$150.00) to be used for prizes to the Association. I favor putting your surplus money in prizes at the Fat Stock Shows. Now let us offer prizes for the Oxford, and let us try for that next year. If fifty cents is not enough, let us charge one dollar for registering.

Mr. Sunman explained the object and intention of offering prizes, after which Mr. Stone and Mr. Loake each took one share of stock.

After a general expression of views, the Association adjourned to meet at Cincinnati, at regular annual meeting, March 10th, 1886.

ANNUAL MEETING
OF THE
American Oxford Down Sheep Record
ASSOCIATION,

HELD AT HOTEL EMERY, CINCINNATI, O., MARCH 10TH, 1886.

In the absence of the President, Col. Hugh Campbell, Vice-President for Ohio, called the meeting to order.

Secretary Sunman made a financial showing of the condition of the Association, which report was accepted. There was due from the former Treasurer of the Association, Mr. H. C. Denver, \$54.00, which had never been turned over to the present Treasurer.

Mr. Wright moved that the Secretary make out an itemized statement of H. C. Denver's account, and draw on him with a three (3) days' sight draft, which motion was carried.

Col. Wright moved to duplicate all prices on sweepstakes in Class 34, all to be recorded Oxford in the American Oxford Down Sheep Record Association.

Mr. Steddom moved to issue Volume III at as early a date as possible, and Secretary Sunman and William Shafor to constitute the committee for the issuing of said Volume.

The election of officers for ensuing year resulted as follows :

Col. F. C. Goldsborough, Easton, Md., President.

T. S. Cooper, Coopersburg, Pa., Vice-President for Pennsylvania.

J. T. Davis, Ghent, Ky., Vice-President for Kentucky.

Col. Hugh Campbell, Harrison, Ohio, Vice-President for Ohio.

A. G. Goodlett, Clarksville, Tenn., Vice-President for Tennessee.

W. F. Loake, Stonington, Ill., Vice-President for Illinois.

T. W. W. Sunman, Spades, Indiana, Secretary and Treasurer.

BOARD OF DIRECTORS.—W. V. R. Powis, Wayne, Ill.; W. A. Shafor, Middletown, Ohio; Judge L. W. Brown, Wauseon, Ohio; Sol. Wright, Ghent, Ky.

After which the Association adjourned to partake of dinner, a special feature of which was a roast leg of Oxford Down mutton furnished by L. W. Gardner, of Clarksfield, Ohio.

PEDIGREES IN VOL. III

ARE ENTERED ACCORDING TO THE FOLLOWING RULES:

Rule 1. An entry fee of one dollar (\$1.00) for each animal recorded will be charged (which must be forwarded with pedigree), except for dead ancestors, which will be recorded for half price, viz.: fifty cents. Animals that die after pedigree has been forwarded for record to the Editor will be charged full price. Give sex of animal in every case.

Rule 2. Unsound or unworthy individual animals should not be presented for registry. Such will not be recorded under any circumstances where the facts proving their inferiority are known to the Board of Directors. At request of the owner of Flocks the committee of the Board of Directors will examine or inspect Flocks of Oxford Down Sheep as to their eligibility to record, owners of said Flocks paying the expense of such examination.

Rule 3. The breeder of an animal is the person owning the dam at the time of service, and is recognized as the breeder of the lamb produced by such service.

Rule 4. The term imported applies only to animals bred in Europe.

Rule 5. Animals imported from Great Britain, and bred by "recognized breeders of Oxford Down Sheep there," will be entitled to registry if satisfactory evidence is furnished the Board of Directors of their purity of blood. The name of breeder in Europe, the importer, date of importation, together with address, must be given; also name of previous and present owner, and their post-office address, together with all other information in your possession.

Rule 6. Animals descendant from imported sheep as above, will be entitled to registry if satisfactory evidence of their purity is furnished the Board of Directors, with date of birth, name and number of both sire and dam (if recorded), name of breeder, previous and present owners, their post-office addresses, together with any other information in your possession.

Rule 7. Every animal must have a name. There will be no exceptions to this rule; and as duplicates are a source of annoyance, it is requested that the animals be named after the farm, river, town, etc., as "Sally of Woodford," "Prince of New River," etc. The Association will reserve the right to change any name sent in when necessary to avoid duplication.

Rule 8. Pedigrees deficient in any of the above particulars will not be recorded.

Rule 9. Blank pedigree forms will be furnished to parties desiring the same.

CUTS OF APPROVED OXFORDS WILL BE INSERTED IN THE RECORD ON REASONABLE TERMS, THE PARTY FURNISHING CUTS, ETC.

CALLED MEETING

HELD AT

CHICAGO, ILL., DURING FAT STOCK SHOW,

November 16th, 1886.

In the absence of Col. Goldsborough, President, Vice-President of Illinois Mr. W. F. Loake was called to the chair.

Mr. W. V. R. Powis said he was glad to see so much interest taken in the Oxfords ; that he found that there was more inquiry after them than any other sheep ; that he had attended a number of State Fairs, and made good sales at all. The Oxfords attracted more attention than any other sheep at the Fat Stock Show.

Col. Hugh Campbell said he was well pleased with the showing made by the Oxfords at the Fat Stock Show.

Mr. W. V. R. Powis suggested the propriety of offering silver medals at the various State Fairs in fall of 1887 for registered Oxfords ; also thought the Association should give up their Charter in Ohio, and reorganize under the Illinois State laws, with offices at Chicago. As this was an informal meeting, action was deferred until the meeting at Cincinnati, in March of 1887.

After a general discussion by all the members present, and an exchange of opinions, Association adjourned to meet at regular meeting.

W. F. LOAKE, *President pro tem.*

T. W. W. SUNMAN, *Secretary.*

ANNUAL MEETING

HELD AT

HOTEL EMERY, CINCINNATI, OHIO,

March 9th, 1887.

President F. C. Goldsborough called the meeting to order at 10:30 o'clock A. M.

Secretary T. W. W. Sunman stated that owing to the dead-lock in the Indiana Legislature, of which he was a member, he was unable to be at home, and as a result had only a verbal report of the condition of the Association, and asked that the Association appoint a committee to examine report. Judge L. W. Brown, of Wauseon, Ohio, was named as the committee.

Mr. W. V. R. Powis moved that all pedigrees offered by or through Mrs. Ann Newton be excluded from our Records, and their application for membership be respectfully declined. Carried.

The action of the Association at Chicago, Ill., in November, 1886, in relation to the offering of silver medals at the following State Fairs: Maryland, New York, Ohio, Indiana, Illinois, Iowa, Michigan, Nebraska, Minnesota, Pennsylvania, Wisconsin; and a gold medal at the St. Louis (Mo.) Fair, in fall of 1887, for the best pen of recorded Oxford Down sheep, to consist of one ram and four ewes, of any age, owned by the exhibitor in the State where shown, except the St. Louis Fair to be open to the world (all sheep to be recorded in American Oxford Down Record, certificates of Registry from the Secretary of the American Oxford Down Sheep Record Association to be furnished the committee at time of exhibition), was approved.

The advisability of offering prizes at the various Fat Stock Shows was discussed.

Judge L. W. Brown said he was opposed to the offering of any prizes at the Fat Stock Shows, for the reason that there were very few who could or would show recorded Oxfords.

Mr. W. V. R. Powis said he was not anxious to press the matter, but thought that a prize at Chicago would be of an advantage.

Mr. W. V. R. Powis said he favored the moving of this Association to Chicago, Ill., and would ask that steps be taken to give up Charter under Ohio laws and incorporate under Illinois laws; and believed that to go to Chicago the meetings would be better attended, as there were many people in attendance at Fat Stock Shows there.

Mr. L. W. Brown said he was opposed to any change for the reason that Ohio was the center of the Oxford country in the States.

Mr. J. R. Shafor said he was opposed to change just now, for he believed that time ought to be taken and not make a hasty change.

Judge L. W. Brown moved that the next regular meeting be held in Cincinnati in December of 1887; that an extra meeting be called at Chicago during Fat Stock Show in November; the Secretary procure the laws of Illinois; notice be given of the proposed change from Ohio to Illinois, to be acted on at the Cincinnati meeting. Adopted.

Judge L. W. Brown moved to have one copy of the Record (Vol. III) sent to members of the Association free of cost, as soon as completed; also, to send one copy to the leading agricultural papers. Adopted.

The election of officers resulted as follows:

F. C. Goldsborough, Easton, Md., President.

Col. Hugh Campbell, Harrison, Ohio, Vice-President for Ohio.

W. F. Churchman, Indianapolis, Ind., Vice-President for Indiana.

J. T. Davis, Vice-President for Kentucky.

A. G. Goodlett, Clarksville, Tenn., Vice-President for Tennessee.

W. F. Loake, Stonington, Ill., Vice-President for Illinois.

T. S. Cooper, Coopersburg, Pa., Vice-President for Pennsylvania.

BOARD OF DIRECTORS:—W. A. Shafor, Middletown, Ohio; Judge L. W. Brown, Wauseon, Ohio; Col. Sol. Wright, Ghent, Ky.; W. V. R. Powis, Wayne, Illinois.

After which the Association adjourned to meet at Chicago, Ill., during Fat Stock Show there, in November, 1887.

COL. F. C. GOLDSBOROUGH, *President.*
